Make sure to order your EOY Tank/Tshirt Today!

Core Parents:

We hope you are as excited about our End-of-Year Exhibition on June 2nd as we are! It will run from 1 - 4:30 pm, and you can stay for the whole event or only long enough to see your athlete perform their skills and receive their medal. We will send out a final schedule once we know how many students are participating. We just wanted to remind you that today is the last day to order your Tank top or Tshirt on-line through the Kelly Tracy website.

Registration for Summer Session (6/4 - 8/16)

We have the Summer 2018 Class Schedule online and ready for registration on our Parent Portal. The session is 11 weeks long, and runs from June 2nd - August 16th. We have some big changes happening, so please read this in its entirety before registering 🤔

1) We are losing a total of 5 coaches from our Spring II Session, which tends to happen when we have college graduates or ones close to graduating in the fall. We wish that we could be their 'forever job", but realize they have to move on to the Big World and put that education to work! After our end-of-year exhibition, we'll be saying goodbye to Danielle, Rachel, Sara, Olivia, and Haley. Thanks for all your excellent coaching over the years--you will truly be missed!!! We will be updating our coaches roster so you can see all of the other amazing coaches we have on staff.

2) We will only be having classes Monday - Thursday during the Summer. We normally don't have Saturday classes over the summer anyway, and with the low numbers for Friday classes over the last couple of years, we decided to not have them on Fridays either. We'll see how registration goes, and if it looks like classes are filling up, we may look at opening up Fridays if there is a need.

3) Core Elite will be CLOSED the week of 4th of July (7/2-7/6). Your tuition will automatically be pro-rated out for that week.

4) **We decided to continue the 25% discount for a 2nd class indefinitely--yessss!!** It's 30% off for a 3rd class, so you can get some extra tumbling in over the summer months.

Here is the link to our Parent Portal to register. If you already have an account but forgot your password, please don't create a new account. You can call or stop by the front desk between 5 - 8 pm and we can get it reset for you.

Good if you are trying to look for a specific level or class

Congrats to Drew Herter (Triad HS '18) for making his dream team, Oklahoma State University on Large Coed. A true example of perseverance and what it means to never give up, even after an injury, and what hard work will get you!!! No one ever said it would be easy, only that it would be worth it. So GREAT JOB Drew, we can't wait to watch you and your collegiate career!

We love to see our Southern Illinois athletes continue to pursue their dreams-- Congratulations to Daisy Kaplan (Greenville HS '18) for making her Dream Team of Oklahoma State Sm Coed!!! Determination and perseverance got you there, so keep up the hard work, it's definitely worth it!

Please join us in welcoming the newest addition to our Core Elite Staff, Andrew Hirbe! He is a 2018 Lindenwood University graduate with a degree in Business, a 2x National Champion 🏆🏅, and has been a competitor at Worlds for the last four years. His collegiate experience makes him uniquely qualified to coach here with us at Core, and we're so happy that he has chosen to pursue his passion of tumbling and cheerleading with us, as we continue to grow our staff -- welcome to the Core Family Andrew!!!!

We have an exciting summer planned so stay tuned!
